

Parent Code of Conduct

Dear Parents and Carers,

The Bishop Wilkinson Catholic Education Trust is committed to encouraging positive relationships with all children and their parents and carers.

We firmly believe that all students benefit when the relationship between home and school is strong with children at the centre of every decision and action.

The vast majority of our parents and carers are keen to work alongside us and are extremely supportive of our schools. Unfortunately, we are aware of a number of incidents that have occurred where this support has been less than ideal.

This parental code of conduct has been devised in response to these rare but significant issues. All members of our school communities must be committed to providing the very best education, support and opportunities for all our pupils.

We believe that staff, children and their parents and carers are entitled to a safe and protective environment in which to work and visit. Behaviour that will cause harassment, alarm or distress is contrary to the aims of all the schools in our Trust.

The following link, once copied into a web browser will open our parent code of conduct posted on our website.

We thank you for your continued support.

Kind Regards

Mrs E Maher
Head teacher
